Harmony's One-Day Online Fundraiser

For our **Inaugural Harmony School Giving Day**, we are raising funds for the heartbeat of our school, classroom supplies for our teachers! During this time of high inflation, classroom supply expenses have increased tremendously. Funds raised on Giving Day will support our **Classroom Supply Fund**, giving teachers the resources they need to provide the best possible experiences for our Harmony students. **We are calling on our Harmony Community to contribute during this one-day online event to help us achieve our goal!**

How YOU Can Help

Make a Contribution, Start a Fundraising Page [HERE](#) & Ask Others to Donate, or Simply Share Your Harmony Story with Your Friends! See the next page for more details on becoming a Giving Day Ambassador!

Double Your Donation

The first **\$5,000** raised on Harmony Giving Day will be matched by a generous donation from a Harmony Class of 2023 Family. Give early and double your donation!

Below are some examples of what donations can do for our teachers & students! These are donation suggestions, but any amount helps!

Consumable items like pencils, crayons, glue and notebooks are used everyday at Harmony. A **\$25** donation will help provide these items that are essential for learning and creation.

Reusable items like books, Chromebooks, and science kits are well-loved at Harmony. A donation of **\$100** will help keep our classroom libraries, technology and learning tools up to date.

Community Enrichment Programs at Harmony provide unique and exciting learning opportunities for our students, including guest performances, art and multi-cultural days, STEM workshops and so much more! A donation of **\$250** will help our teachers provide these exciting learning opportunities.
