ABOUT THE GOLF OUTING

The Harmony School Golf Outing started in 1980 in order to introduce more business people in Bloomington to Harmony School and to support golf in the community. The Golf Outing is in honor of Miles Kanne and Gene Flander. Miles Kanne was Vice President of Cook Medical from 1964 to 1992 and served on the Harmony School Advisory Board for 30 years. Gene Flander was president of the Harmony School Advisory Board until his passing in September, 1987. All proceeds from the event support the Miles Kanne Scholarship Fund for Harmony students which distributed \$41,000 in scholarships to students in 2025 and since 1980 has provided nearly \$850,000 in scholarships.

ABOUT HARMONY SCHOOL

Harmony School was founded in Bloomington, Indiana in 1974 with its mission to prepare young people to live in and contribute to a heterogeneous democratic country. We do this by sensitizing young people to the delicate balance needed in a democracy between individual growth and community responsibility. We are dedicated to the development of the whole student: we teach critical thinking and academic skills, and nurture each student's unique voice, all while promoting physical, social, emotional, and creative growth.
